Proud Moments

Aberdeen Football Club

Alba Bagpipes was honoured to be invited by AFC to perform during key moments of the 2023/2024 season, including piping in the centre of the pitch in front of thousands of fans. It was a privilege to share our unique sound at such memorable occasions, helping to create unforgettable moments for players and supporters alike. We have since proudly performed at the Player of the Year Award Dinners in both 2024 and 2025 at P&J Live, and look forward to continuing our special connection with the club.

Cruises Arriving in Aberdeen

With the launch of the new South Port Harbour in Aberdeen, the Port of Aberdeen approached Alba Bagpipes to provide piping for all cruise arrivals into the city. Since 2023, we have proudly supported the Port of Aberdeen and continue to do so today, having piped at over 80 cruises visiting the city to date. This is a tremendous honour for us, providing Scottish entertainment to thousands of visitors arriving in our vibrant city. We are incredibly proud to be part of this historic moment, bringing the unmistakable sound of the bagpipes to greet guests from around the world.

Proud Moments

ANDRÉ RIEU

VICTORIA'S SECRET

Performing with Andre Rieu

In 2022, Alba Bagpipes was contacted by André Rieu Productions, requesting a pipe band to perform on stage with the world-renowned violinist, André Rieu, and his Johann Strauss Orchestra at P&J Live in 2023. We were fortunate to perform with André Rieu in Romania and were later invited to his home concerts in Maastricht, which was the greatest honour. These unforgettable experiences showcased our music to international audiences and strengthened our connection with performers from around the world.

Opening of Victoria's Secret

In 2025, we were delighted to be approached by an entertainments agency to provide 5 Highland Dancers and a piper for the grand opening of Victoria's Secret in Union Square. It was a true honour to showcase the best of Scottish Highland Dance for such a high-profile international brand.

To make the performance even more special, we tailored our Highland Dancers' outfits to reflect Victoria's Secret's iconic branding colours blending tradition with modern elegance for an unforgettable celebration.

Proud Moments

Guinness World Record Holder

In 2015, Myself Rikki Evans, owner of Alba Bagpipes, set the Guinness World Record for the longest marathon of solo bagpipe playing. I played for 26 hours, 5 minutes, and 32 seconds during the Piping Live Festival in Glasgow.

To this day, the record has been challenged, but it remains unbeaten officially.

The Royal Edinburgh Military Tattoo

In 2017, Myself Rikki Evans, owner of Alba Bagpipes, was honoured to perform at the prestigious Edinburgh Military Tattoo.

One of the proudest moments came when I had the opportunity to lead the Massed Pipes & Drums onto the esplanade during one of the shows, with my family watching from the audience. Adding to the excitement, I also performed a solo piece during one of the dance sets.
