Highland Bagpipes

Highland Bagpipes are our primary instrument and can be played at any point during your wedding, whether indoors or outdoors, adding a timeless and unforgettable touch to your special day.

While the bagpipes sound incredible on their own, when paired with a Side Drummer, the rhythm and beat perfectly complement the pipes, creating a truly harmonious and stunning performance.

Small Pipes

Small pipes are available at no extra cost and are mainly used during:

Piping the bride down the aisle
Piping during the signing of the register

The small pipes are not louder than an acoustic guitar.

Small Pipes are subject to availability

Backing Track Music With Bagpipes & Small Pipes

Starting From £50

We have over 40 backing tracks which our Small & Highland Bagpipes can play along to using professional audio equipment to project the sound to either indoor or outdoor audiences.

The versatility of this approach means we can seamlessly mix classical, contemporary, and even more modern tracks with the rich tones of the bagpipes, which would be a striking surprise for your guests

Side Drummer(s) & Tenor Drummer(s)

Starting From £100

Both side and tenor drummers are becoming increasingly more popular at weddings. Both are unique in their own way and compliment a piper beautifully.

The side drum's sharp, powerful rhythm can elevate the pace of the performance, creating an intense and energetic vibe. The tenor drummers flourishing and finesse brings a captivating element to the show, drawing the eye while enhancing the overall sound with its deep, resonant tones. Both can be hired individually to perform alongside a piper or together as a three piece.

Highland Dancer(s)

Starting From £100

Combining the skill and grace of our world-class Highland Dancers with the powerful and evocative music of our piper truly creates a spectacular atmosphere.

It's an experience that transports audiences to the heart of Scotland, evoking the cultural richness and tradition of events like the Edinburgh Military Tattoo. Highland dancing is full of energy and precision, and when it's synchronized with the piping, it becomes an unforgettable unique performance.

Granite City Scottish Music Show

The Granite City

Scottish Music Show

The Granite City Scottish Music Show is a high-energy, homegrown production owned and produced by Alba Bagpipes.

The show was first created in response to an inquiry from a luxury cruise liner docking in Aberdeen in 2018. The cruise requested a 45-minute performance of top-tier Scottish entertainment for its passengers, with the show scheduled for May 2019.

Alba Bagpipes owner Rikki Evans assembled a talented cast of 15 performers, including pipers, side drummers, bass drummer, Highland dancers, guitarists, a singer, an accordion player, and a compare. The show was an instant hit, delighting audiences with its vibrant and authentic Scottish flair.

Proud Moments

Aberdeen Football Club

Alba Bagpipes was honoured to be invited by AFC to perform during key moments of the 2023/2024 season, including piping in the centre of the pitch in front of thousands of fans. It was a privilege to share our unique sound at such memorable occasions, helping to create unforgettable moments for players and supporters alike. We have since proudly performed at the Player of the Year Award Dinners in both 2024 and 2025 at P&J Live, and look forward to continuing our special connection with the club.

Cruises Arriving in Aberdeen

With the launch of the new South Port Harbour in Aberdeen, the Port of Aberdeen approached Alba Bagpipes to provide piping for all cruise arrivals into the city. Since 2023, we have proudly supported the Port of Aberdeen and continue to do so today, having piped at over 80 cruises visiting the city to date. This is a tremendous honour for us, providing Scottish entertainment to thousands of visitors arriving in our vibrant city. We are incredibly proud to be part of this historic moment, bringing the unmistakable sound of the bagpipes to greet guests from around the world.

Proud Moments

Performing with Andre Rieu

In 2022, Alba Bagpipes was contacted by André Rieu Productions, requesting a pipe band to perform on stage with the world-renowned violinist, André Rieu, and his Johann Strauss Orchestra at P&J Live in 2023. We were fortunate to perform with André Rieu in Romania and were later invited to his home concerts in Maastricht, which was the greatest honour. These unforgettable experiences showcased our music to international audiences and strengthened our connection with performers from around the world.

Opening of Victoria's Secret

In 2025, we were delighted to be approached by an entertainments agency to provide 5 Highland Dancers and a piper for the grand opening of Victoria's Secret in Union Square. It was a true honour to showcase the best of Scottish Highland Dance for such a high-profile international brand.

To make the performance even more special, we tailored our Highland Dancers' outfits to reflect Victoria's Secret's iconic branding colours blending tradition with modern elegance for an unforgettable celebration.

Proud Moments

Guinness World Record Holder

In 2015, Myself Rikki Evans, owner of Alba Bagpipes, set the Guinness World Record for the longest marathon of solo bagpipe playing. I played for 26 hours, 5 minutes, and 32 seconds during the Piping Live Festival in Glasgow.

To this day, the record has been challenged, but it remains unbeaten officially.

THE ROYAL
EDINBURGH
MILITARY
TATTOO

The Royal Edinburgh Military Tattoo

In 2017, Myself Rikki Evans, owner of Alba Bagpipes, was honoured to perform at the prestigious Edinburgh Military Tattoo.

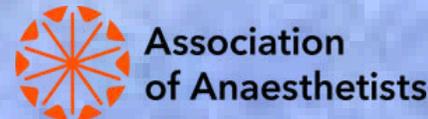

One of the proudest moments came when I had the opportunity to lead the Massed Pipes & Drums onto the esplanade during one of the shows, with my family watching from the audience. Adding to the excitement, I also performed a solo piece during one of the dance sets.
